INSTRUCTIONS FOR INSTALLING THE FARGORATE APP

Included in your $20 annual membership is the use of the FargoRate App. With it, you can see the standings and statistics for all the teams and their players, along with a schedule of upcoming matches. For many, this will prove to be more convenient than accessing the website. The app is available for both iPhone and Android.

1. Find the app and install it on your phone. The name of it is **FargoRate** and will be green and white on a black background.

2. Once you open it, it will search for you in their database. Your name is in the system and so just enter your full name. There may be others with the same name and so be sure to select the right one by matching it to your city. If you can't find it, try different spellings (Christopher instead of Chris). If it still doesn't come up, contact me and I'll try to figure out what the issue is.

3. Once it finds you, the app will ask you to create an account with your email address and password. (If your captain asks you to install the BCA scoring app, you will use the same credentials for that app as well).

4. Ignore any advertisement to upgrade to the premium version. The upgrade is included in your membership but might not be available for a few weeks.

5. You will find 4 icons on the bottom of the app. Choose the third one that looks something like a shield or teardrop. It will ask you to "Mark Favorite Teams." Click the heart next to your team's name and hit "done."

6. Finally, go back to the home screen (tap the person icon on the bottom far left). Click the hamburger icon at the top left, next to your name. There you will find your digital membership card, settings, and other features.

INSTRUCTIONS FOR INSTALLING THE BCA SCOREKEEPER

1. Do not create a new account. Simply sign in, using the exact same username and password that was used to set up the FargoRate app.

2. Once you login, the initial screen will show the list of upcoming matches in your league.

3. Having problems? This website will prove helpful: https://www.playcsipool.com/csinews/bca-pool-league-scoring-app.
